

Britain Wants to End Mandate in Palestine, Withdraw All Troops

By FRANCIS W. CARPENTER

LAKE SUCCESS, Sept. 26 (AP)—Britain declared today she is willing to end her Palestine mandate rule. The British at the same time envisioned an early withdrawal of their forces from the strife-torn Holy Land unless the United Nations assembly finds a solution acceptable to Jews and Arabs alike.

The only condition on which they would remain in Palestine, the British said, would be under U. N. authority—and only then if Jews and Arabs agreed.

Russia took the offensive on all other fronts in the assembly.

Fiery, grey-haired Andrei Y. Vishinsky held a self-called special news conference to disseminate renewed charges of "war-mongering" in the United States and specifically in the Secretary of State Marshall's own delegation.

Vishinsky blasted at the British statement on Palestine with the comment that he was "afraid" it meant the "ultimate withdrawal of Jews from Palestine" and if that was the case the Soviet reaction is "negative."

The Soviet bloc, acting in concert on widespread fronts, relentlessly attacked the United States, Greece, South Africa, the size of the U. N. budget, and opponents of the Russian campaign on "war-mongering."

Standing before the largest news conference ever held at the U. N. headquarters, Vishinsky declined to disavow Soviet press attacks on President Truman, embellished his assault on nine Americans he has charged with "war-mongering" and added William C. Bullitt, former U. S. ambassador to Moscow, and publisher Frank Gannett to the original nine. The Soviet delegation convened the conference of some 500 newsmen and several observers speculated that Vishinsky delivered most of the reply he had intended to make when Assembly President Oswaldo Aranha denied him the assembly floor the past week for rebuttal in general debate.

Vishinsky devoted particular emphasis to the 12th man on his list, Walter Winchell. He called him the "new American Baron Munchausen" and said he was famous for "his utterly absurd lies."

It was Russia's turn on other fronts.

Yugoslavia, the Soviet Ukraine, and Czechoslovakia attacked in the 55-nation political committee the U. S. proposal for an assembly committee to help settle the controversies in the Balkans between Greece and the Soviet-supported governments of Albania, Bulgaria and Yugoslavia. The Philippines sided with the U. S.

Prof. Boris Stein, of Russia, assailed South Africa in the assembly's trusteeship committee for what he called "flagrant disobedience" to the U. N. assembly in refusing to submit a trusteeship agreement for the mandated territory of South-west Africa.

Russia told the U. N. social, humanitarian and cultural committee she believed the world press should be instructed by the U. N. to campaign against "Fascism" and "warmongers."

Temperature Drops To Near-Record 41

Slumping to a chilly 41 degrees yesterday morning, the temperature came to within one degree of the all-time low for Sept. 26 in Pottstown, established in 1925.

Patches of light frost were reported in some low-lying open areas, but the first killing frost of autumn still is to come.

Only an abundance of warm sunshine kept yesterday from being uncomfortably cold; today, also, will be fair and continued cool, with the mercury plunging down again to night.

Tomorrow will round out a fine autumn weekend, with fair skies and somewhat warmer temperatures predicted.

For the beginning of next week, the weatherman calls for scattered showers Monday. It will be cooler Tuesday, but slightly warmer Wednesday.

WORKER'S FINGER SMASHED

Charles Beasley, 21, of 780 Lincoln avenue, suffered a smashed right index finger early yesterday morning while at work at the Spring City foundry. He was admitted to Pottstown hospital at 3:30 o'clock.

GRAIN LEADERS BLAME TRUMAN FOR HIGH PRICES

Government Purchases To Fill Exports Cited; Market Drop Checked

By The Associated Press

The recent decline in record high food prices came to an abrupt halt at most commodity exchanges and wholesale markets yesterday, and three major grain officials, parrying a Government request that they curb speculation, blamed high grain prices on the Truman Administration.

Despite the advances in grains, butter and eggs futures, yesterday, the prices for these commodities declined in the retail stores of scattered cities across the nation. The retail drops reflected steady declines for more than a week in wholesale prices.

Representatives of the Chicago board of trade, the Minneapolis grain exchange and the Kansas City board of trade conferred in Washington with Secretary of Agriculture Anderson on the department's proposal that they double their margin (cash down payment) requirements on grain futures to curb speculation.

J. O. McClintock, president of the Chicago board of trade, told reporters no conclusion was reached on the request, but he issued a statement, on behalf of the three officials, contending that the "activity of the Government in buying grain for export has been responsible" for high prices in the grain market.

The statement said the officials would ask a "special congressional committee to make a full and intensive investigation of the operation of the exchanges in an effort to bring out the true facts."

Earlier in the day Anderson told reporters that "we would be happy to have Congress investigate us." He said that Government buying of grain for shortage areas had "tilted and dropped the market" but "it was a question of getting grain for hungry people abroad."

In other developments on the exchange situation, Senator Flanders (R-Vt.), chairman of a congressional joint subcommittee, asserted that Congress might have to "apply controls" unless speculation is checked on.

Publishers, ITU Still Deadlocked Over Contracts

INDIANAPOLIS, Sept. 26 (AP)—A two-day conference between representatives of the American Newspaper Publishers' association and the International Typographical Union (ITU) to "resolve existing differences" between them ended tonight in a stalemate.

The conference was called in an endeavor to find a common meeting ground in view of the printers' union's recently-enunciated policy of neither negotiating nor signing contracts with employers of their members.

The ITU stood adamant on proceeding on the basis of its new "conditions of employment" plan, while the ANPA proposed execution of a five-year "conciliation contract" between the two groups.

Each rejected the other's proposal.

BALTIMORE, Sept. 26 (AP)—Baltimore Local 12 of the International Typographical Union, charged by the National Labor Relations board with violating the Taft-Hartley act by refusing to engage in collective bargaining, today offered to sign a contract.

Charles V. Brannock, president of Local 12, said the action had approval of the international's executive council.

Attorneys for both the union and employers declined to discuss specific provisions of the proposed contract dealing with the closed shop or "union security."

"Our proposed contract does not contain any provisions which would violate the Taft-Hartley act—but of course there might be some difference of opinion about that," Brannock said.

Three Main Breaks Spew Water in Air

The Pottstown Water department ended its first week's operation yesterday with three leaks, one a spectacular blow which shot a stream of water 100 feet in the air.

First to give way was a 6-inch main at Quinter and Glasgow streets, Stowe, which broke from the weight of the heavy trucks hauling dirt and materials to and from the sewer construction work.

A short piece of pipe had to be cut from the main and a sleeve fitted over the broken ends.

The second break came when a 2-inch valve on the 12-inch main formerly supplying the Eastern Steel company blew off. A jet of water under high pressure was blown 100 feet in the air.

Four men were required to turn off the main valve on the line before the leak could be capped and sealed.

Finally, a house connection on Third street near Manatany street broke, sending a 4-inch geyser of water bubbling above the surface being repaved from Johnson to Manatany streets.

Most of the water from this break was seeping back to the main last night but two large puddles had formed and a good sized trickle of water was running several blocks down Manatany street.

Borough Manager Dow I. Sears, who is head of the water department, sighed as he finished inspecting the last leak.

"Well," he said, "they keep getting smaller, anyway."

VACATION DATES SET BY BOARD

Holidays Are Announced For Upper Pottsgrove; Class Dates Approved

Vacation dates for Upper Pottsgrove township school children at Thanksgiving, Christmas and Easter were announced at last night's meeting of the township school board in the Consolidated school building.

All of the holidays will begin at noon. On Thanksgiving classes will end Nov. 26 and resume Dec. 1; at Christmas, Dec. 23 to Jan. 5, and at Easter, March 25 to March 30.

There also will be no classes on April 15 and 16, when a Schoolmen's program will be attended by the faculty. The tentative date for the end of school is May 31.

Two trips were also authorized by the board. Next month grades 6, 7 and 8 will take a "Trip to the Moon" at the Fels Planetarium in Philadelphia. The 50 children who are expected to go will pay their own admission, but bus transportation will be furnished by the school district.

The students will be accompanied by Joseph B. Ferdinand, principal, and Mrs. Rebecca Y. Schreck, teacher of the 5th and 6th grades.

The first five grades will visit Reading museum, with grades 3, 4 and 5 going in about two months (Continued on Page Three)

Profit-Sharing Day Set for Wednesday

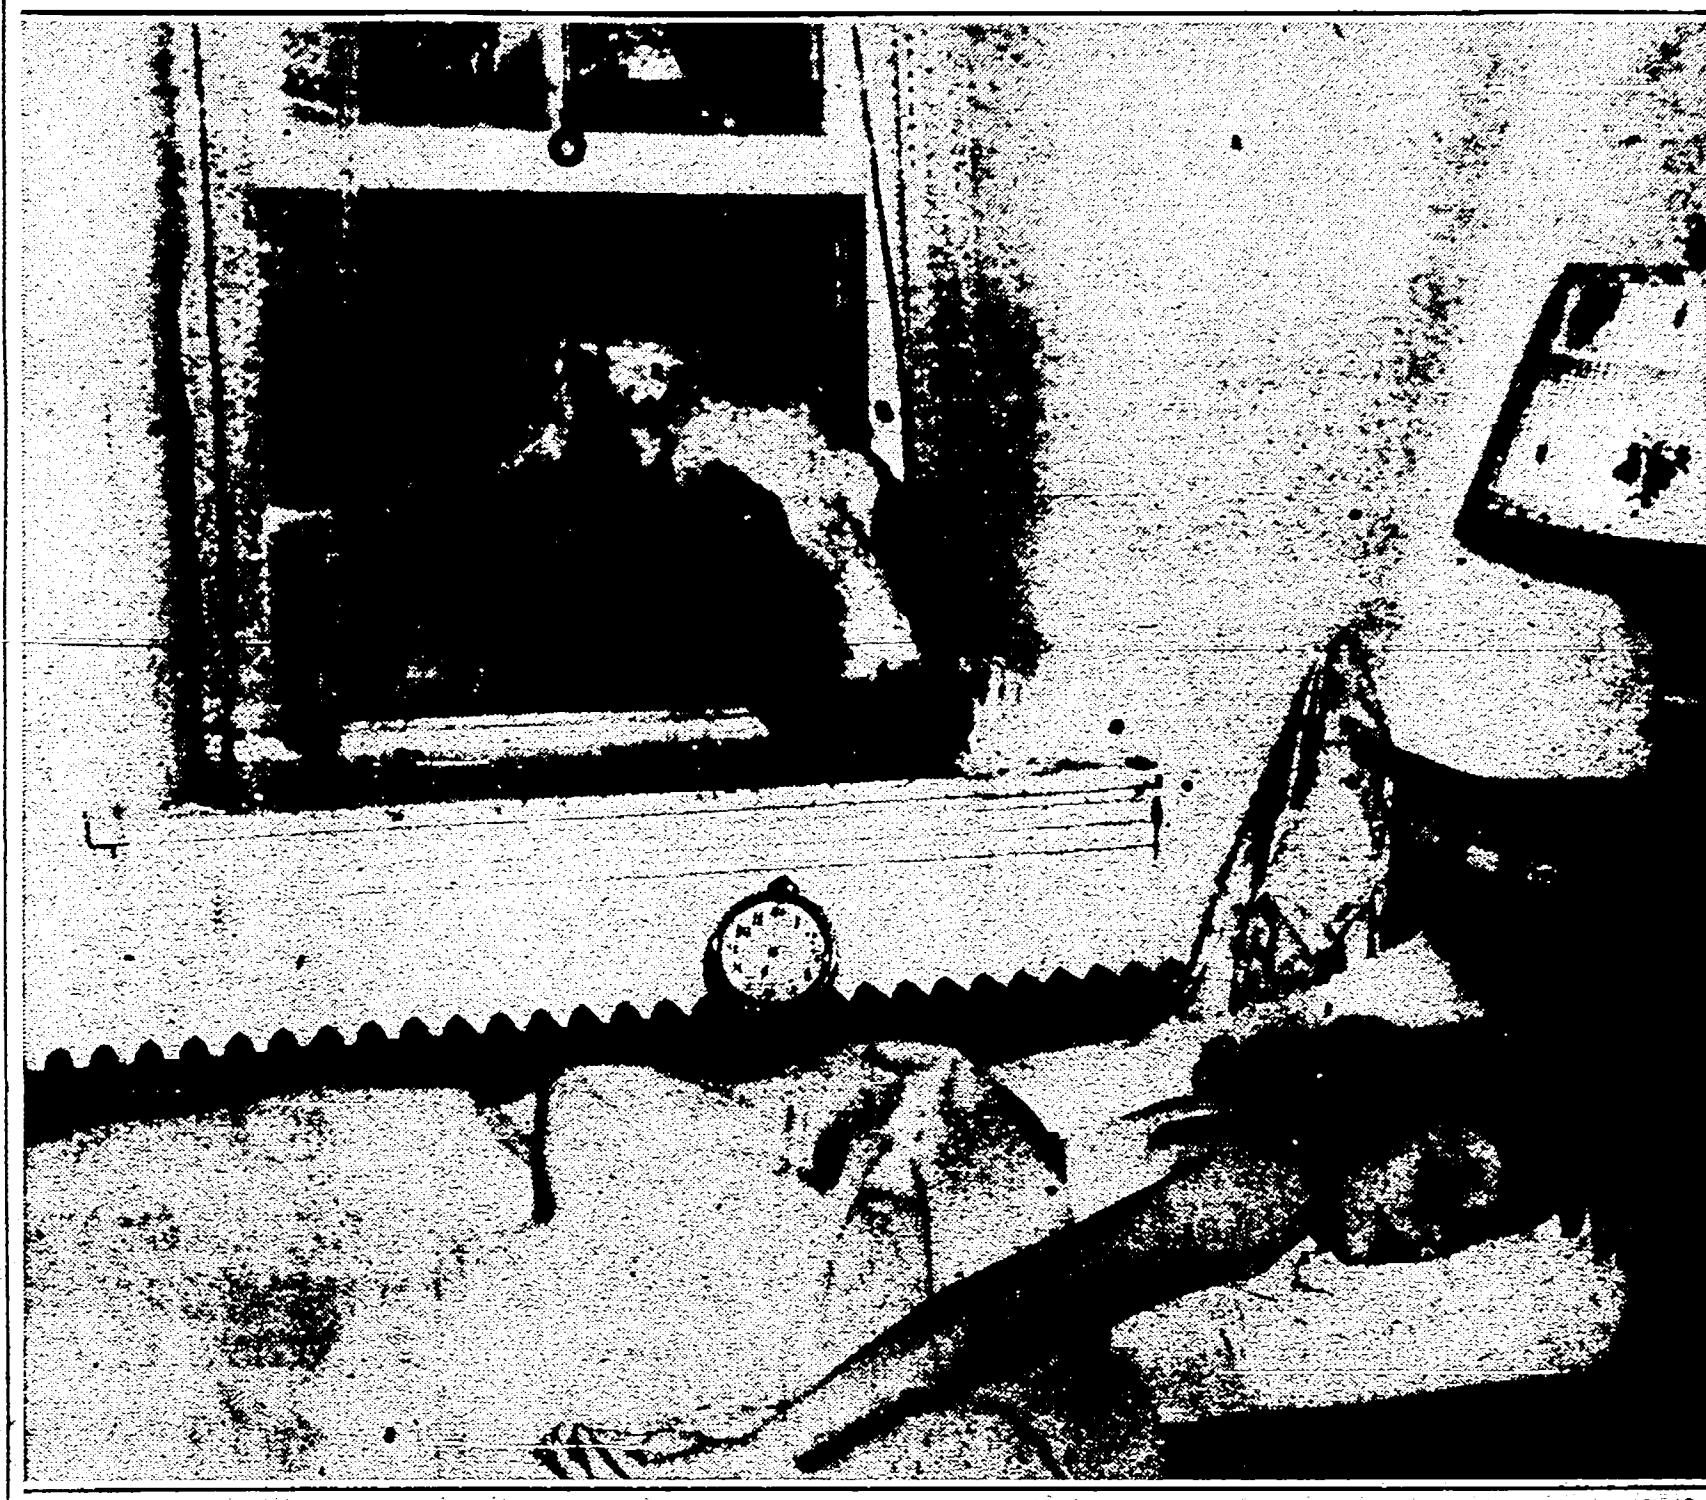

Pottstown merchants are coming up again with an answer to high prices in another profit-sharing day, such as received nation wide acclaim the past April, this coming Wednesday.

All the merchants are joining in a community-wide event that will bring to shoppers of Pottstown a wide variety of new Fall merchandise at unusually low prices for one day.

The stores will be open from 9:30 o'clock in the morning until 9 o'clock at night and will attract thousands of shoppers who will certainly want to take advantage of the profit-sharing deal that will offer them many new Fall necessities at below average prices.

"Coming as it does at the beginning of the Fall season, it is not a clearance event nor an ordinary sales event in the usual sense but a bonafide effort on the part of the Pottstown merchants to offer shoppers merchandise that they want at prices they can afford to pay," said Nathan P. Hoffman, chairman of the Mercantile bureau of the Pottstown Chamber of Commerce.

Bossy Finds It's Time to Turn the Tables

Bossy, who kept our pretty maidmaid, Gloria Shram, daughter of Mr. and Mrs. George Shram, Pottstown RD. 2, waiting for an hour when daylight saving time went into effect, is taking no chances. "Dog-gone this daylight saving time," she moaned. "I wish these humans would make up their minds. I just get used to getting up in the middle of the night and they switch things about. I'm waking this little man early today to remind her to set her clock back an hour tonight. It will be a relief to get back to normal."

Daylight Saving Time to Bow Out At 2 o'Clock Tomorrow Morning

If frosts on the farms, the glowing red of ripening apples, and the pungent odor of moth balls in disinterred winter suits still has not convinced everyone that Summer is over, the departure of Daylight Saving time at 2 o'clock tomorrow morning should do the trick.

Along with 249 other communities in the State, Pottstown will turn its clocks back one hour—about 11 hours, as many jewelers advise—at 2 a. m. tomorrow.

Most of us probably will do it when we go to bed tonight, but the result will be the same. At about six o'clock tomorrow night, half the population of the town will look out at the sky and declare in astonishment, "My, isn't it getting dark early these days!"

The Pennsylvania and Reading railroad companies will issue new timetables giving train and bus schedules on Eastern Standard time. Most of the trains, however, will run at the same time, EST, as they did on EDT, although there will be a few minor changes on a few of the runs.

Blaze Destroys Barn On Spring City Farm

Fire of undetermined origin leveled a big stone and frame barn on the farm of John K. Shantz, the former Isaac Funk farm, located at the intersection of Hill Church road and Creamery road, about a half mile south of Spring City, early last night.

A pure bred Guernsey bull, two cows and 30 chickens perished and practically all contents of the barn were destroyed in the raging fire, which caused a loss conservatively estimated at upwards of \$15,000. The loss is protected by insurance.

Twin-Borough fire companies, the Liberty, Spring City, and the Humane and Friendship companies, responded to a general alarm about 7:15 o'clock.

The fire had been discovered shortly after 7 o'clock by Mrs. Webster Shantz, of East Vincent township, sister-in-law of the owner, who was driving by enroute to Spring City. John Shantz had finished milking in the barn about 6 o'clock, and was hushing cows in a nearby field when he was notified his barn was on fire.

The flames spread too rapidly to liberate the bull and cows, which were trapped in their stanchions. (Continued on Page Three)

Curtiss Asks Spurt In YMCA Roll Call As 807 Are Signed

"We can't stop until this job is done. I'm interested in every youngster in Pottstown, and so are you!" With these words William H. Curtiss, general chairman of the roll call drive, the YMCA's campaign to sign up 2000 members, encouraged his co-workers to continue with the drive until the goal is reached.

At last night's dinner meeting, held in the Y auditorium, 216 more members were turned in, bringing the total to 807.

Curtiss reminded the supporters of the campaign that the deadline is still five days off, and that he hoped to see the results of more intense work at next Wednesday's meeting.

"You fellows have done a swell job," the chairman declared. "I know what a tough job it is, especially for such a few of us."

Curtiss declared that his main interest was in boys' work, and that he wanted to devote an increasingly large proportion of his time and efforts to institutions such as the YMCA.

Stating that more Pottstonians should support the organization, the chairman pointed out, "A man won't and can't say no to you if he is interested in Pottstown and the town's boys."

Birdsboro Builder Expects Ninth Ward Homes to Be Finished Before Winter

Three white stucco bungalows are being built in Pottstown's Ninth Ward and cellars are being dug there for 15 more by a Birdsboro contractor who is relying on standardized methods for quickly-built, medium-cost housing.

William J. Gollub, Birdsboro RD. 1, tested his bungalow ideas by building 14 at Stony Creek, near Reading. The houses were finished about a month ago and all are now occupied by veterans who work in Pottstown. James C. Allen, 122 East Third street, agent here for Gollub's homes, declared last night.

Gollub hopes to have the three homes on the south side of Eighth street between State and Johnson streets finished by Nov. 25, Allen said. The 15 other homes will be built in the Ninth ward on Eighth, Seventh and State streets, he added, and should be completed before the first real snow flies.

When this project is finished, Gollub plans to build several more (Continued on Page Three)

Seek Television Set For 'Y' Boys Work

Television to aid in the boys' work of the YMCA was the goal aimed at by William H. Curtiss, Pottstown civic leader, yesterday as he began solicitation of funds to purchase a receiver.

Curtiss said he hoped to raise \$1000 from business, industry and professional men in order to have a set installed in time for the 1947 World Series.

In announcing the start of his drive to provide television for the boys of the YMCA, Curtiss also announced that at the end of the year he would sever his relations with other community organizations in order to devote all his interests to boys' work.

Among his plans for the youth of Pottstown is the installation of a manual training shop, complete with power tools, at the YMCA so that youngsters may pursue their hobbies with adequate tools and adult supervision. In addition, Curtiss is working for the installation of a snack bar on the first floor of the association building.

Stowe Motorist Charged With Hit-Run, Failing To Give Aid to Injured

A Stowe resident was committed to the county prison at Norristown yesterday in default of \$500 bail in the aftermath of the most serious of four accidents in the Pottstown area.

Andrew E. Ellis, 25, of 17 West High street, was charged in a hearing before Justice of the Peace O. C. Beacraft, of Sanatoga, with hit-and-run and with failing to render assistance at the scene of an accident.

He was accused by Trooper John R. Lynady, of the Collegeville State police sub-station, of failing to help two hitch-hikers who were thrown from Ellis' car after it crashed into a pole on Route 422, near Sanatoga.

The two men were left lying on the concrete highway until a passing motorist took them to the Memorial hospital, where they were admitted for treatment.

Elmer Hallman, 528 West Bridge street, Phoenixville, suffered a fractured skull, and his companion, Edgar Evans, Valley Forge, received a fractured left leg.

State police said that the two youths were given a lift at Collegeville, and that Ellis crashed into a utility pole as he approached Sanatoga. He continued to speed toward Pottstown, where local police halted him and gave him a summons for reckless driving.

At that time Pottstown police did not know of the accident, but received a radio message from Norristown, from which they identified the car as a delivery truck. Trooper Lynady arrested Ellis at his home and had him locked up in a borough jail cell until his hearing before Beacraft last night, at which time he was committed to the county jail in default of \$500 bail.

A motorcycle skidded on a curve on Route 113 at Quarryville on 11 o'clock last night and its operator, Glen White, Boyertown RD. 1, was admitted to Pottstown hospital a short time later with possible fractures of several left ribs and bruise burns on his back.

White said that, on rounding the curve, the lights from an approaching car blinded him. He lost control of his vehicle and was tossed to the road. He was taken to the hospital in a Good Will ambulance.

Falling to cross at the corner protected by the school patrol, a 10-year-old girl was injured slightly early yesterday morning when she dashed into the path of a car on Beech street, 20 feet west of the cross walk at Penn street.

Walter S. Quigley Jr., Pottstown RD. 3, the driver of the car, told the police the accident occurred at 7:55 o'clock yesterday morning as he was driving east on Beech street.

He said the girl, Ella Hildegas, Penn Village, darted in front of his car from the left side of the street and was struck by the front bumper of his car.

Stopping his car immediately. (Continued on Page Three)

Milk Load Jolted In Trailer Mishap

It takes more than a large trailer crashing to a 45-degree angle to break a lowly half-pint bottle of milk.

This was proved yesterday as the belt connecting the trailer with a truck of the Levensood Dairies, Washington and Chestnut streets, slipped or broke.

The abandoned trailer immediately fell on its neck, sending 147 cases of milk sliding wildly to the front.

Earl Strouse, 550 Willow street, the truck driver, had pulled out at 5 p. m. from the dairy building on North Washington street, and had driven only a short distance west of the intersection when the mishap occurred.

Strouse was uninjured and was pleasantly surprised to find that none of his half-pint charges had been so much as scratched.

After an hour's work with powerful jacks, the trailer was raised to its correct horizontal position, and two-way traffic again was restored on Chestnut street.

Premier De Gasperi Under Fire
ROME, Sept. 26 (P)—Italian Communist and Socialist leaders today launched an offensive in the constituent assembly to unseat Premier Alcide de Gasperi's Christian Democrat government with charges that it was servile to the United States and used police measures against the opposition.
Communist Chief Palmiro Togliatti accused de Gasperi's interior minister of enforcing Fascist statistics in forbidding leftists to post manifestoes depicting the government as "the protector of speculators." De Gasperi's Pietro Nenni declared that Communists and Socialists had been excluded from the cabinet formed the past May "ostensibly because the United States wanted it that way."

U. S. Commerce Unit Allots Steel for Use By Arab Oil Firm
WASHINGTON, Sept. 26 (P)—The Commerce department said today it has licensed the Trans-Arabian Pipeline company to ship 20,000 tons of steel to Saudi Arabia between October and December for oil pipeline construction.
The department said "the decision was reached after consultation with and recommendation by other interested Government departments that the strategic, political and economic interests of the United States make such action desirable."

Yugoslavia Frees 3 U. S. Soldiers; Submits Apology
BELGRADE, Yugoslavia, Sept. 26 (P)—The Yugoslav foreign office informed American Ambassador Cavendish Cannon today that three American soldiers arrested by Yugoslav troops in the Trieste area Monday would be released today.
Yugoslavia at the same time presented to the ambassador a formal apology for the incident.
The three Americans were previously identified as Lt. William van Atten, East Orange, N. J.; Pfc. Earl G. Hendrick Jr., Arlington, Va., and Pfc. Glen A. Myer, Edgely, N. Dak., who went forward to a Yugoslav outpost for a "friendly chat" only to be forced across the border at gunpoint.
The Yugoslav apology came only 24 hours after the U. S. State department announced it was taking up the case "immediately" with the Belgrade government. The previous day the U. S. Government called on Yugoslavia to stop the "exceedingly dangerous" practice of issuing ultimatums to British and American troops in the Trieste area because it was "likely to precipitate incidents leading to most serious consequences."

Perjury Suit Asked For Hanns Eisler
WASHINGTON, Sept. 26 (P)—A recommendation that Hanns Eisler be prosecuted for perjury and passport fraud and deported climaxed today three days of hearings by the House Un-American Activities committee into the German-born Hollywood composer's stay in this country.
The recommendation to the Justice department was made unanimously by four committee members who heard the Eisler case as a subcommittee. They are Representatives Thomas (R-N.J.), chairman; McDowell (R-Pa.), Rankin (D-Miss) and Wood (D-Ga.).

4 POLICEMEN SLAIN IN HOLDUP
\$180,000 Loot Taken From Palestine Bank; Stern Gang Blamed
JERUSALEM, Sept. 26 (P)—Between 20 and 30 young men, believed by officials to be members of the Stern gang, staged Palestine's most spectacular holdup today, killing four British policemen, wounding seven other persons in a Tel Aviv street battle and carrying off \$180,000 loot in a white jeep.
Bags containing \$420,000 of the total haul of \$600,000 were dropped in the subsequent chase. Two of the gang were believed wounded and two suspects seized.
The raid was carried off with military precision when the striking force of four youths in the white jeep drove up to Barclay's bank in Tel Aviv's busy Allenby road before noon, just as the money bags were being loaded into a guarded armored car.
The youths, said by eyewitnesses to have been Jews, surrounded the armored car, opened fire and mortally wounded one policeman, and struck in the face a bank official who was approaching with a money bag.
They then killed a British policeman in the armored car, seized the money bags in his custody and fled. Other policemen joined the battle, and in the exchange of fire two policemen were killed, another critically wounded, a Jewish constable slightly injured in the hand and five passersby wounded, two seriously.
As the jeep sped away a covering fire was laid down by confederates of the four, and numerous diversionary flash bombs were set off, including one which exploded just across the street by the Palestinian economic corporation building.
A short time later, an armored car challenged two masked men near the bank and opened fire. The men dropped two money sacks containing \$420,000 in Palestinian 5 and 10-pound notes and fled. But other raiders had escaped with a sack of 45,000 1-pound notes.

Judge Sets Aside Hirshberg Verdict
NEW YORK, Sept. 26 (P)—The Navy court martial conviction of Chief Signalman Harold E. Hirshberg, charged with mistreating fellow American prisoners in Japanese camps, was set aside today by Federal Judge Clarence G. Galston who said he acted "reluctantly."
Pointing out that Hirshberg was tried after receiving an honorable discharge and re-enlisting, the judge ruled the Navy lacked jurisdiction.

Taft Favors Billion For Welfare Program
GEARHART, Ore., Sept. 26 (P)—Senator Taft (R-Ohio) tonight outlined a billion-dollar-a-year program of welfare legislation upon which he said the Republican party "will and should proceed" at the next session of Congress.
He added, however, that such a program must be free of Federal bureaucratic controls and administered at State and local levels on the clearly defined basis of Federal "assistance and not regulation."
Turning to the subject of welfare legislation tonight in an address delivered before the Republican club of Oregon, Taft said his whole program in the field of welfare "in the end may add to the expense of Government by a billion dollars a year."

Remove All Foreign Troops, Soviet Plan for Unified Korea
SEOUL, Korea, Sept. 26 (P)—The Russians suddenly proposed today that they and the Americans simultaneously withdraw their military forces from Korea at the beginning of the year and leave the Koreans to form their own government, since the two occupying powers have been unable to agree on a unified regime.
U. S. authorities had no immediate official comment, but some highly-placed Americans quickly speculated that the Russian maneuver was designed to keep the Korean issue from coming before the United Nations and might also signify that the Soviets now regarded their North Korean puppet as ready to try to install Communist government for the whole country.
In Washington American diplomatic authorities viewed the Soviet withdrawal proposal as not intended seriously but as merely a propaganda attempt to influence the issue before the U. N.
Secretary Marshall submitted the case to the U. N. assembly recently after the American-Soviet joint

chairman of the American delegation, had no comment, Americans pointed out that military withdrawal would be all in favor of the Soviets.
Occupying the northern half of Korea, they would have only to pull out overland across the border into the Soviet maritime provinces, while the Americans in Southern Korea would have to go at least as far as Japan by sea.

Judge Jails Him To 'Think It Over'
By Staff Correspondent
NORRISTOWN, Sept. 26—John W. Brown, 26, of 1336 High street, Pottstown, a U. S. Army veteran, was committed to the county prison to await sentence next Friday by Judge George C. Corson today after he pleaded guilty to a charge of drunken driving.
Meanwhile, the court plans to investigate the condition of John H. Christ, 28, also of the Pottstown address, who, according to physicians, was permanently paralyzed below the waist when Brown's car ran off a ridge pile and struck a tree near Sanatoga. The accident happened at 12:45 a. m., Sept. 12.
State Trooper Vincent J. McGlone, of the Collegeville sub-station, testified that Christ was one of three occupants of the Brown car when it crashed. He was the only one injured.
"This is a horrible thing," commented Judge Corson, "and I am sending you to jail so you may think it over. This man is ruined for life because you were driving while drunk."

Between 1932 and 1945 American railroads abandoned 20,981 miles of main line track.

Now employing about six men on the eighth street job, Gollub and Allen both have their eyes open for scarce skilled construction workers.
The houses will sell for \$7500-\$8000, Allen said, and will be of white stucco with a composition roof, four or five rooms, bath, basement, garage, and hardwood top flooring with a sub-floor. Each of the homes will be sited differently on the outside, but the floor plans will be nearly identical, which Allen cited as the reason the homes can be built within three months.
Allen added that the Gollub built homes in Sory Creek were bought before the cellars were dug and that the first three homes in the Ninth ward have already been purchased by Pottstown veterans.

This report was made by William J. Anderson, school board treasurer and school enumerator.
Tax Collector Luther H. Boyer presented checks totaling \$1742.27.
The board meeting was in charge of Christopher Hollenbach Jr., president.

Mercantile Bureau Asks 3 as Zoning Advisors
The Mercantile bureau of the Pottstown Chamber of Commerce has proposed that three of its members be given consideration by Burgess William A. Griffith as advisors to the zoning commission.
An advisory body was suggested Wednesday by Horace Y. Seidel, zoning commission head, who suggested it be composed of men representing various business groups.
The Mercantile bureau's action was taken yesterday morning at a meeting of its executive committee. A letter informing Burgess Griffith of the proposals has been sent.
The three men recommended are Nathan P. Hoffman, bureau chairman; Albert C. Schutte, chairman of the bureau's parking committee; and Hilary Missimer, bureau treasurer.

Parking and traffic problems also were considered at the meeting.

he took her to the Pottstown hospital where she was treated for slight brush burns and a slight case of shock, and discharged after treatment.
The accident was witnessed by Harold Begel, Maplewood, Pottstown, who corroborated Quigley's story at the police station.
The girl is a pupil at the Jackson school.
Two automobiles were damaged in a crash at 2:30 p. m. yesterday at the intersection of Beech and Charlotte streets, as Ernest L. Haas, 716 Munzer street, struck the vehicle of William H. Bowen, Carbondale, which had been parked on the south side of Beech street, west of Charlotte.
Bowen was pushing away from the curb when his car was struck by Haas' vehicle.
Haas told police that the other car was driven out suddenly and that he could not avoid hitting it. The left front fender of Bowen's car was damaged, while the right rear fender, rear bumper, and right rear side of Haas' vehicle was damaged.
Neither driver was injured. Howard Sherman, 523 Race street, Stowe, told police that his car was struck and damaged yesterday afternoon about 3:30 o'clock by another vehicle, driven by Joseph A. Donofrio, Pottstown RD 4.
Sherman reported that he was driving west on Vine street and that Donofrio was coming north on Race street when the collision took place.
Neither driver was injured, but Sherman's automobile was damaged on the left front side.

Judge Driving Taxi Car Fined \$15 for Speeding
GEARHART, Ore., Sept. 26 (P) — An Oregon circuit court judge who was driving Sen. Robert A. Taft here from Tacoma today drew a warning and a \$15 fine for speeding.
Judge Walter Tooez, Portland, said upon his arrival here he was fined at Tenino, Wash., for driving 40 miles an hour in a 25-mile zone.
He said he told the patrolman he was hurrying the Senator to a meeting and received the reply, "we're here to see that the Senator gets there safely."

They were burned to death Shantz, aided by neighbors, managed to salvage a tractor, manure spreader and wagon. All the season's crops, including hay, wheat and straw were consumed by the flames.
Firemen battled the blaze with four streams from Stowe Run creek. Some of the crew's remained on the scene until late last night. The house, located on the opposite side of the road, was not endangered.
Fire chiefs, Jefferson Slaughter, Spring City, and Clair Buckwalter, Royersford, later last night deplored the failure of farmers to make use of the water supply on their own farms, claiming small streams running through their properties could be dammed up to provide more water for such emergencies.

Planders told a reporter in Washington that recent inquiries by his committee failed to disclose any evidences of profiteering by retailers, wholesalers or distributors. He added that if farmers sought to sell their products for less than market prices "the speculators would get the benefit."
Two weeks ago Planders advocated that 100 percent margin requirements be imposed on grain exchange transactions and a wave of selling broke prices sharply at that time.

Lowdown on Coins...

LOCAL BOY MAKES GOOD — Herman S. Reifsnnyder, Pottsdown boy who went to Altoona to learn the newspaper business in 1912, has risen to the post of assistant managing editor on the Altoona Mirror. His appointment was announced yesterday. Reifsnnyder was a son of the late Lyman and Alice (Spatz) Reifsnnyder. His father was Pottsdown chief of police for 12 years. The Altoona newspaperman now 57 years old, was graduated from Pottsdown High school in 1909. He was

sports editor of the Altoona Mirror for 35 years previous to his appointment as assistant managing editor. Reifsnnyder is married, and is the father of two children. A son, Lt. Lyman Earl Reifsnnyder, was killed in action with the United States Marines on Saipan island in 1944.

SURPRISE—Portstown auto dealers whisper that some automobiles now are coming through without carburetors. Seems as if there's a shortage of that vital part because of a strike. Auto parts stores say they could make a fortune if they had spare carburetors on hand . . . That fishing item the other day brought a hint: Buy yourself an extra toothbrush and you'll find it useful for cleaning fish. After scraping the inside of a fish, finish the job by scrubbing the inside meat with the toothbrush. You'll be astonished, 'tis said, how this little routine simplifies an ever-hated task.

SATURDAY SNICKER — A bartender was wuping off the bar one day when a drunk staggered in and slumped over the bar.

"Shay can you tell me who runs Alcoholics Anonymous around here?" he asked.

"Why, do you want to join?" the bartender asked.

"Nope," the drunk hiccupped. "I want to resign."

COIN DEPT — Lots of persons get all excited and confused when mention is made about valuable coins.

Like when this column mentioned the "I. S." on a Roosevelt dime didn't stand for Joe Stalin... Soon the rumor was around town that Roosevelt dimes were worth all sorts of fabulous prices. A numismatist (he's a coin collector) has furnished a list of valuable coins. Indian head pennies prior to 1880 or an 1877 or a 1909-S are valuable. So are Lincoln heads as follows: 1909-S, 1914-D, 1923-S, 1924-D. and 1926-S. Buffalo nickels with dates near 1913 and Liberty nickels of 1885 and 1912-S

ANSWER — There have been rumors that you could get \$2000 for a 1799 cent. The only penny worth this is right now in a collection. You've probably heard it said, too, that an Indian head penny struck in silver is valuable.

Well, no such coin exists, so halt your search. There is no such coin as a 1913 Liberty nickel with 14 stars nor did a 1913 Liberty nickel ever get into circulation. Oddly, there are a billion to one that you'll never find an 1894-S dime. There's only one 1866 quarter without the "In God We Trust" and the owner won't part with it. Maybe you've heard, too, that you can get \$75 for half dollars dated before 1854. There are only two varieties and they're in col-

lections. There never was a 20-cent piece, so the rumor that one of them is worth \$100 is false. The letter "S" on a coin means it was minted in San Francisco. "D" stands for Denver. No letter indicates Philadelphia.

The result is that many of the symptoms of actual organic disease, such as indigestion, pain or discomfort after eating, heartburn, vomiting and sickness to the stomach are present, despite the fact that no physical disease exists in the organs of digestion.

In the past, many of these patients were treated by giving them a bland diet that is, one containing no highly seasoned or irritating foods, and no great amount of bulk or roughage. In addition

Today, doctors agree that before the intestinal symptoms can be treated successfully, the underlying cause of the disorder must be found.

Sometimes it has its source in some actual organic disease in other parts of the body, such as tuberculosis or kidney inflammation! In women, it may be a part of the general upset that goes along with change of life.

The condition may be also occur in certain people who are more easily upset than the average person. Thus, in this type, attacks may be brought on by tiredness, fears and the excessive use of tobacco and alcoholic beverages, certain foods, or irregular eating habits. In other cases, the stomach and bowel disturbances may be only a part of some general emotional upset called a neurosis. Hence, when this type of condition develops, the first thing that must be

If the disturbance is primarily due to overwork, improper food and overindulgence in tobacco, these things must be corrected, and the patients treated with rest, proper diet and the drugs mentioned above.

If the condition is due to a general emotional upset, the treatment is best carried out under the direction of a psychiatrist; that is, a specialist in mental and emotional disorders.

PTA Adopts Plan For Study Group

Plans for the formation of an adult study group were adopted at a meeting of Royersford Parent-Teacher association Thursday night with upwards of 35 members attending.

The PTA also accepted the resignation of Miss Sara Baum, president, and elected G. Kenneth Smith, first vice-president, as her successor. To fill the vacancy in the first vice-presidency, the group elected Mrs. Jackson D. Breaks to succeed Mr. Smith.

After disposing of routine business, the association approved the adult study project, which had been brought before an executive board meeting recently. Such a plan has never been used here before. The topic to be considered will be "Learning to Be Parents."

A by-laws committee was appointed to propose amendments to the by-laws. Those named were Mrs. Horace Fryer, John Armstrong and Mrs. Carl Straub.

Methodist Church To Burn Mortgage

Royersford Methodist church will burn a \$7600 mortgage at a special service tomorrow morning at 11 o'clock, with Dr. John D. Herr, district superintendent, as the speaker.

Taking part in the formal ceremony besides Dr. Herr will be the Rev. Courland R. Pusey, pastor, and three members of the board of trustees. Dr. Herr will deliver the sermon and offer a prayer of consecration, the Rev. Pusey will also speak, and the choir will sing special numbers.

Originally planned for the past June, the mortgage burning service was postponed until tomorrow, because of the sudden death of the late former pastor, the Rev. Samuel R. Dout.

The debt of \$7600 was incurred beginning back in 1923, when extensive improvements were made during the pastorate of the Rev. P. C. Thomas. The debt was refinanced in 1932 through the Building and Loan association. The shares in the B. and L. matured the past April, leaving the church debt free. The original church building, which was erected in the 1890's, cost \$35,000, complete with furnishings. It was dedicated March 2, 1892.

New Hanover Area School Students to Have Bus Service

A regular-scheduled school bus is now operating between points in New Hanover township in Montgomery county and Boyertown High school, with transportation being provided by the school district.

The board of school directors in New Hanover township is transporting all township pupils who are enrolled at the local high school. This is the only district whose students attend Boyertown High to go to school. Others depend upon public transportation facilities to get to Boyertown. This is also the first year that New Hanover township has provided this transportation.

Other adjustments were made by the New Hanover school district at the beginning of the current school year. Four schools—Deep Creek, Pleasant Run, Hauck's, and Swamp Creek—were closed and students attending there assigned to other schools. Pupils—and this includes children up to the eighth grade—who formerly went to Deep Creek are now attending at Free's school; those in Pleasant Run area were assigned to Weand's and Hoffmannville; those who attended Hauck's are

going to Layfield; and Swamp Creek students were assigned to Knause's school.

The bus furnishing the transportation starts at Deep Creek school area at 7:25 a. m. daily, and runs on the following schedule: Free's school, 7:40 a. m.; Pleasant Run school, 7:42 a. m.; Anise school, 7:54 a. m.; Weand's school, 8:02 a. m.; Layfield school, 8:08 a. m.; Swamp Creek school, 8:17 a. m.; Knause's school, 8:27 a. m.; and Boyertown High school, 8:40 a. m.

High School Notes

It was football weather yesterday and the atmosphere pervaded the halls of Boyertown High.

A slogan contest for today's Royersford-Boyertown fray was in progress all week, but it was announced yesterday at a student pep rally that a teacher—Mrs. Marcia Krysa, school librarian—won when she submitted four slogans. It wasn't because the teachers had the inside track. Rather, it was due to the fact that no students submitted entries. Mrs. Krysa received a free ticket to today's game. Kickoff is slated for 2 p. m. at Boyertown.

The eleven starters received a thunderous ovation from the students and teachers when they appeared on the stage rigged out in full regalia, and were introduced by Coach Robert "Red" Fleming. It was their first official appearance in their new uniforms, although really their battle baptism began today.

Introduced as probable starters today were Dave Steltz, left guard; Henry Johnson, center; Robert Reiff, right guard; Eugene Johnson, left tackle; Bill Body, right tackle; co-captain Paul Moatz, left end; Will Dunkelberger, right end; Freddie Smith, quarterback; Jack Rothenberger, left halfback; Dick Neuman, fullback, and co-captain Bill Levegood, right halfback.

Warren O. Fry and Daniel A.

Rohrbach, assistant coaches, also spoke briefly when called upon by Fleming, the master of ceremonies. Also participating were the cheer leaders and the high school band.

A crowd estimated at more than 150 persons attended a pre-football dance last night in the BHS gymnasium. It was sponsored by the athletic association.

Group pictures, including all homecomings, will be taken on Wednesday at the high school for "1948 Bear," student annual. Other activities scheduled to be photographed include the senior chorus, Hi-Y club, football team, junior chorus, Junior Hi-Y club, boys' glee club, girls' glee club, Tri-Hi-Y and Junior Tri-Hi-Y clubs.

Upper Merion Upsets Pottstown High By 25-7 Score

SPARTANS SCORE 19 POINTS IN SECOND PERIOD

Visitors Tally Twice On Pass Interceptions; Mauger Scores for Locals

Pottstown High, last night, had football weather, a football crowd, a football team and a band, but it still didn't have enough to whip Upper Merion High's Spartans.

The Spartans struck once on the ground, once through the air and capitalized twice on pass interceptions to hand the Trojans a 25-7 setback before 6500 fans on Franklin field in the official season's opener last night under the arc lights.

The Trojans threatened twice in the early moments of the game, but they failed to cross the double-white line—once because of a fumble and once because Upper Merion's line held on the three-yard stripe.

Upper Merion, fighting to avenge four straight setbacks at the hands of the Trojans, opened with a fierce ground attack after Pottstown lost the ball on downs on the three-yard line and marched 97 yards for the first score early in the second period.

The march started midway through the first period and carried over into the early moments of the second quarter before Zeke Ostroski bucked the line for the last two yards and an Upper Merion touchdown. The 97-yard sustained drive was the longest ever seen on Pottstown's Franklin field. Ostroski's attempted conversion failed and the Spartans held a 6-0 lead.

Pottstown received the kickoff from Upper Merion and were forced to punt right back after two line plays gained only three yards. Bobby Mauger's kick went out of bounds on the Pottstown 35-yard stripe and the Spartans started rolling again.

Led by McKernan, Davis and Dolga, the Spartans moved the ball to the Pottstown nine-yard line where McKernan passed to Arie Anderson in the end zone for the second touchdown. Ostroski booted the extra point and the Trojans trailed, 13-0.

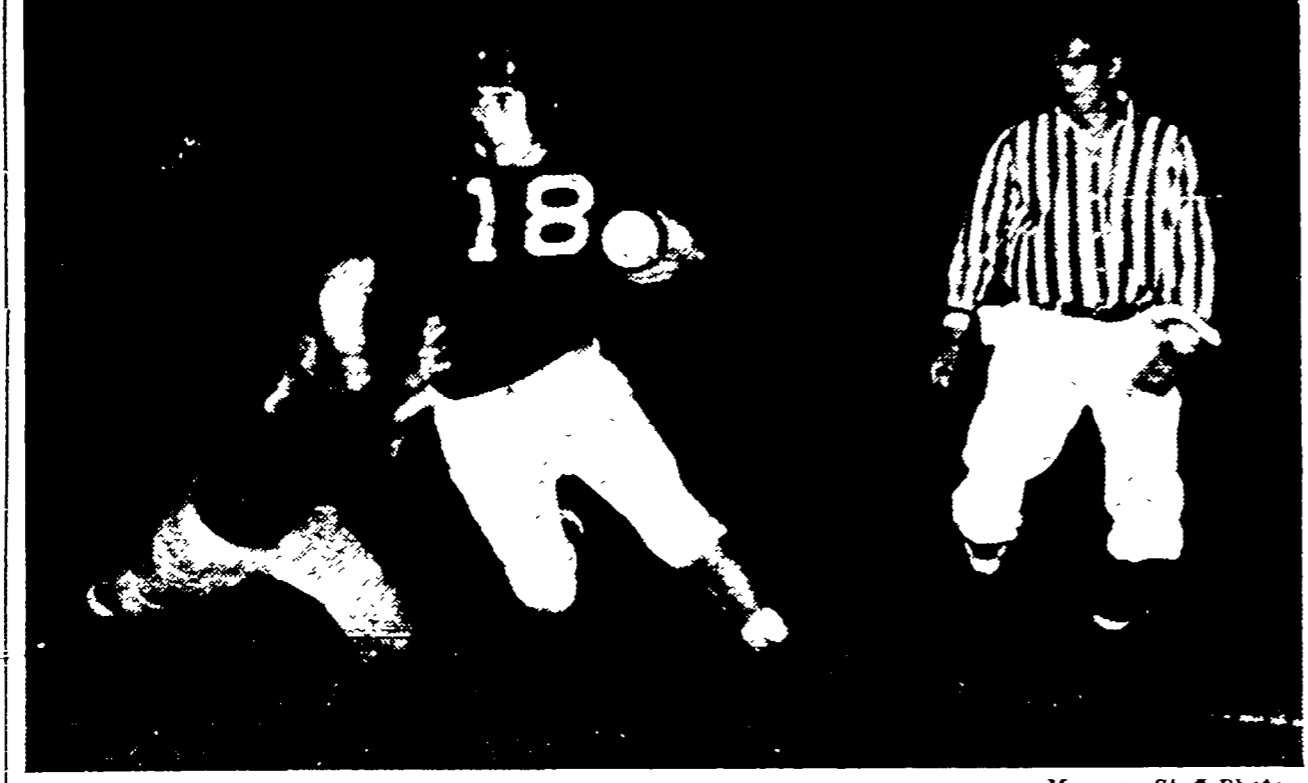

Still in the same period after Pottstown started to march down the field which looked like a touchdown drive, Dolga intercepted Mauger's pass on the Upper Merion 45-yard line and galloped 55 yards for the third touchdown which gave the Spartans a 19-0 lead at the half.

Pottstown resembled the 1946 football squad as the second half opened. Dan Ludwig took the kickoff and took it to the Pottstown 39. Toat Howard went for five yards and then Bobby Mauger started around the end, faked a lateral and cut back off tackle, reversed his field and continued down the side lines for 55 yards and the Trojans' first touchdown of the game.

Johnny Snyder booted the point and that ended the scoring for Pottstown.

Mauger Makes First Down for Trojans

Bobby Mauger, Pottstown High school quarterback, is shown sweeping around his left end during the second period of last night's football game on Franklin field won by Upper Merion, 25-7. Mauger moved the ball across the 50-yard line on this play and gave the Trojans a first down in Upper Merion territory. An unidentified Upper Merion player makes a desperate try for the Trojan signal-caller as Head Linesman Steve Juenger watches play.

periods, the Trojans started drives deep in their own territory. But as soon as it looked as though they were starting to move, a pass interception would change the course of the game.

Late in the fourth period, Pottstown moved the ball across the 50 and headed into Upper Merion territory. The drive got as far as the 37 where McKernan intercepted a pass and headed for the Pottstown goal line. Two beautiful blocks and some fancy side-stepping on the part of McKernan gave Upper Merion its fourth touchdown and ended all hopes for the locals. Ostroski's attempted conversion failed and the score stood at 25-7.

The Pottstown offense looked as good as can be expected, but pass interceptions and fumbles always brought to an end what looked like the start of a touchdown drive. Each team rolled up 13 first downs.

The Trojans play host to Bristol High Friday night in another night game on Franklin field.

Tigers Hold 2d Place; Braves Blank Giants as Cardinals Win

CLEVELAND, Sept. 26 (P)—Art Houtteman's seven-hit pitching and timely hitting by his mates gave the Detroit Tigers a 5-2 win over the Cleveland Indians and assured themselves of at least a third place finish in the American league. The Boston Red Sox kept right behind the Tigers in the race for the runner-up spot by defeating the pennant-winning New York Yankees, 3-2.

In a two-night doubleheader at Washington, the Philadelphia Athletics copped the first game of the twin-bill by an 11-8 score but dropped the nightcap under the arcs, 4-3.

Warren Spahn copped his 21st win for the Boston Braves in the National league by blanking the New York Giants by a 2-0 count at Boston. Ray Pate, rookie pitcher for the Giants was the loser.

The second-place St. Louis Cardinals, encouraged by the hitting and pitching of Al Brazle, stopped the Chicago Cubs, 5-3, in the first of a three-game series before 2929 fans at Chicago. The Cardinals got to Paul Erickson for four runs in the second inning.

Norco Eleven Set for Opener

WILDCAT TEAM FAVORED OVER COLLEGEVILLE

Kickoff Is Scheduled For 2:15 o'Clock; Paolantonio Makes Debut

Coach Bill Paolantonio has been spending the past four weeks sharpening the claws of North Coventry's Wildcats for the first attack of the 1947 football season.

The claws are now sharp and the Wildcats get their first chance to try them out when Collegeville-Trappe High comes to North Coventry this afternoon to open the current grid campaign for both schools. The kickoff is scheduled for 2:15 o'clock.

Running from the single-wing formation, the Wildcats have built up a strong offensive combine and appear to be a better than average squad this fall. Paolantonio was assisted by Paul Bruno during most of the pre-season practice period, but a few days ago Bruno resigned and was replaced with Nicholas Giuma.

The Wildcats will have two veterans in the backfield this afternoon in Tim Baldorf and Johnny McElroy, and it will be these two lads opposing teams will have to watch.

A newcomer, Jim Orandosh, has won the fight for the signal-calling post and Norco grid fans will get their first look at him today. Another newcomer, Bill Callahan, is scheduled to start at right halfback. Callahan is a transfer from Phoenixville High.

The Wildcats line also has some experienced ball players. Ralph Rish, Wayne Mourar and Joe Staverosky have all seen action in past years and are scheduled for starting duties today.

Collegeville has a green squad and is light and inexperienced. Most of the griders are getting their first taste of organized football today and shouldn't give the Wildcats much trouble.

Bill Gohean's Falcons Travel To Battle West Reading Eleven

After four weeks of hard practice under their new coach, the West Pottsgrove Falcons are ready for their season's opener. West Reading will furnish the opposition and the kickoff is scheduled for 2:15 o'clock this afternoon on the West Reading field.

The "T" formation makes its debut at West Pottsgrove and Ralph Basile has won the fight for the quarterback spot. Gohean has worked hard teaching the Falcons the "T" and thinks the West Pottsgrove boys are ready to use it today.

Roy Binder Leaves Business to Sons, Secretary, Provides Income for Wife

By Staff Correspondent
NORRISTOWN, Sept. 26—Controlling interest in the Roy Binder Agency, a Pottstown real estate and insurance business, is bequeathed to his two sons and his secretary equally by Roy Binder, 59, prominent business, civic and fraternal leader in Pottstown, who died Sept. 18, according to the terms of his will filed for probate yesterday.

Mr. Binder directs that his seventy-five percent interest in the business at 309-313 High street, Pottstown, is to be shared by his sons, Carl M. and Harold E. Binder, and the secretary, Anna M. Fry.

The estate, for probate purposes, is valued at \$55,000 in personal property and \$75,000 in realty holdings, which include properties at 255 High, 257 High and 345 King street, in addition to the Anshenbach Apartments, High and York streets, all in Pottstown.

His undistributed profits in the agency are bequeathed to his wife, Sallie Mabel Binder, who also receives various personal items.

The balance of the estate is placed in trust with the wife receiving the income in quarterly installments for life or until she remarries. If she remarries the principal is to be divided equally among the wife and two sons.

The sons are to receive the principal after Mrs. Binder's death.

Mr. Binder also directs that his executors and trustees are to contribute as much of the trust income as they deem proper toward the support of his mother, Mrs. R. Re-

Borough to Install Meters On King Street Next Week

Borough Electrician William H. Price said yesterday the installation of parking meters on King street, between York and Washington streets, will be started early next week if weather conditions are favorable.

The job of placing the meter posts in position on King street, east of Franklin, struck a snag yesterday when it was discovered there were not enough of the standards. Borough Manager Dow I. Sears said more posts will be received in a short time.
